STATE OF ALASKA

Trans-Alaska Pipeline System Lease Renewal Project

Existing Leases and Permits

Map projection: Albers Equal Area
Map scale: 1:750,000

LEGEND

Trans - Alaska Pipeline Right - of - Way
Expires May 2, 2004

(ADNR Land Administration System, section level resolution, March 20, 2001)

- Federal Management
- State Management
- Private Management
- Other Permits, Leases and ROW's
- Trans Alaska Pipeline Centerline
- Pump Stations
- Connected Highways
- Access Roads

Note:

The areas depicted as federal, state or private management were determined using the section level resolution General Land Status ownership data as of December 2000.

Federal management includes areas designated as national forests, national monuments, national preserves, national parks, wildlife refuges, wild and scenic rivers, BLM land, conservation areas, NPRA, national recreational areas, military areas.

State management includes areas designated as state patented or tentatively approved land.

Private management includes areas designated as native patented or IC'd land, federal private land disposals, or state land disposals.

The areas depicted as "Other Permits, Leases and ROW's" indicate sections which include surface activity associated with the Alyeska Pipeline Service Company as noted in the ADNR Land Administration System, March 20, 2001.

The following case types were included:

316 - Alaska Tideland Survey
547 - Tidelands Lease Competitive
553 - Negotiated Lease Non-competitive
557 - Tidelands Lease Non-competitive
559 - Other Lease Non-competitive
571 - DLWM Permit
572 - Transferred Federal Entry
581 - Public Easement
582 - Private Easement

Only active cases are depicted. Cases with status codes of Closed, Closed - Expired, or Closed - Other , were excluded.

The pump station and access road location data was provided by BPXA Cartography (AeroMap US), December 2000. The location accuracy of the access roads is plus or minus 500 feet.

The State of Alaska makes no expressed or implied warranties (including warranties of merchantability and fitness) with respect to the character, function, or capabilities of this product or its appropriateness for any user's purposes. In no event will the State of Alaska be liable for any incidental, indirect, special, consequential or other damages suffered by the user or any other person or entity whether from use of the product, any failure thereof or otherwise, and in no event will the State of Alaska's liability to you or anyone else exceed the fee paid for the product.
